

ProjectConnect Sign Up

ProjectConnect is a student led series meant to introduce you to new people outside of your social circle and help to build community. Here at Midd finding deep connections can sometimes be tricky. In ProjectConnect groups you'll go beyond small talk and really get to know people! Be a part of building our community.

You'll meet in a small group for 6 weeks and get to know others through fun and meaningful discussion and community projects/meals. Once you sign up here you'll be placed in a group with a student facilitator who will share with you where and when you'll be meeting. Groups meet the weeks of 9/28-11/2 for 1 hour per week. Open to students of all class years. Both in person and virtual groups are available.

Let's get connecting!
